

Dear Guest,

We look forward to welcoming you aboard *Celebrity Millennium*® for your upcoming 12-Night Best of Japan Cruise sailing July 2, 2024. We recently sent you an updated itinerary for this sailing and have since noted some conflicting details within. Please see the corrected information below or login to your [quest account](#) or [Celebrity Cruises app](#) to view more.

To ensure smoother sailing, and the absolute best cruise experience possible, a modified navigational path has been plotted for this sailing, which has adjusted some call times in port. Additionally, this necessary change means, we will add a visit to Kochi, July 7th and move our original stop to Hiroshima, Japan to July 8th. Jeju Island will move to July 10th and we will replace our stop in Nagasaki, Japan, July 9th with a relaxing day at sea. Some call times throughout the journey have been adjusted slightly as well. For your convenience, we've included the original and revised itineraries below.
